You will get to speak for sure! The date is set and will not change unless some type of catastrophic emergency occurs. I understand that it is a huge sacrifice for you and will do everything in my power to make sure that you get to speak and have a productive experience.

Ill check it out - will i get a chance to speak for sure? out there at my expense and don't get to speak or there's a continuance - that's a huge cost to me.

Hi Miss [REDACTED],

Just want to keep you up to date on everything that is going on with the "Cosmo" nightclub that operates out of the property beside your Hollywood theater. Please check the link to see the Official Notice regarding the upcoming revocation/discontinuance of use public hearing that is scheduled for May 10th, 2016, at 10:00 AM. Hello Cesar,

This is Al Arguelles from Hollywood Vice. I was wondering if you can call me back regarding a citation written by our guys on 04/08/16. The location was 6364 Hollywood Blvd (Cosmo Nightclub) the Suspect's name is Straub, Conrad. He was cited for 7574.12 B&P and 16240 B&P. I need the security guards names if you have them so I can write the narrative of the report. The Officers that wrote the citation were not part of the investigation and did not keep notes.

Thank you

Ma'am..

Yesterday, we monitored a working group meeting facilitated by Hollywood Vice focused on enforcement/shut down of problematic Hollywood nightclubs/ABC locations. The working group consists of Hollywood Vice, the CA Office, Building and Safety, CD 13, CID, etc. This focused strategy has paid dividends in recent expedited enforcement and shut down of other problem locations.

Please review the current problematic nightclubs that are the current focus of the working group and the enforcement strategies.

Ma'am..

Yesterday, we monitored a working group meeting facilitated by Hollywood Vice focused on enforcement/shut down of problematic Hollywood nightclubs/ABC locations. The working group consists of Hollywood Vice, the CA Office, Building and Safety, CD 13, CID, etc. This focused strategy has paid dividends in recent expedited enforcement and shut down of other problem locations.

Please review the current problematic nightclubs that are the current focus of the working group and the enforcement strategies.

According to Habib Munoz, in the AK-47 case from January, GND was unable to file the weapons charge against the suspect, the co-owner of the club Robert Abrahamian. Apparently, the firearm had certain "add ons" that made the weapon compliant with California law. However, Bert Feldtz was able to file a Possession of Narcotics for Sale case for Abrahamian's possession of marijuana, hashish oil, and mushrooms. This case is pending..

Also, the 18+ over promoter has pulled out of the location and relocated to downtown. HWD Vice has also recently received inquiries from potential buyer of the property, seemingly indicating that the location is being offered for sale. Finally, after the last early morning opening where Chris Miller cited for Loud Music, HWD Vice has not seen any additional activity. Munoz will continue to closely monitor the location.. and I will keep you updated.

Hi Dan,

Yes, BOSS and LAFD will need to support the one-way. Also, a petition is required from the property owners. Cosmo is used by the Hollywood Farmer's market, and they would need to be informed as they would be affected.

No worries. They need to comply with their CUP completely and immediately especially regarding the noise. I believe their CUP states that there is not to be ANY noise emanating from their property to the outside, which means that they need to reconfigure things immediately on their patio. Please let them know that hundreds of residents live a block away, and there are two new residential buildings under construction, which will bring in hundreds of more residents within half a block of their location. They need to comply with their CUP and respect the neighborhood.

No worries. They need to comply with their CUP completely and immediately especially regarding the noise. I believe their CUP states that there is not to be ANY noise emanating from their property to the outside, which means that they need to reconfigure things immediately on their patio. Please let them know that hundreds of residents live a block away, and there are two new residential buildings under construction, which will bring in hundreds of more residents within half a block of their location. Good Afternoon Mr. Halden,

Our meeting with Davey Wayne's Thursday afternoon is confirmed.

The owner, CFO and managers will be attending the meeting you requested for. Captain Palka, Sgt. Munoz, Randall and I will also be present.

Is there anything you need from us for that day? Please let me know. We're prepared with the videos that Tom Meredith provided.

Good Day and hope all is well.

The "Lights Camera Action" Plan --

Good afternoon Mr. Halden,

Just wanted to keep you informed as to upcoming meetings. Rick Blake, an attorney representing Cosmo Nightclub has requested a "sitdown" with LAPD. They would like to hear from us as to recent enforcement action at the location and would like to discuss solutions for their repeated CUB non-compliance.

The meeting is scheduled for March 30th at 1500, in the Hollywood Community Room. Cosmo's attorney as well as the owner and managers will be in attendance. Our acting OIC, Lt. Ling, Sgt. Munoz, Senior Lead Ofcr Pesquiera and ABC coordinators will be present at the meeting. You are welcomed to attend if you're interested. In case you are not available, I will keep you posted as to matters discussed.

As for Davey Wayne's, Randall and I met with the Captain last Thursday and will be scheduling the meeting shortly. We are looking to schedule it the first or second week of April. Please let know if you have any questions. Good Day sir!

Good afternoon Mr. Halden,

The Cosmo meeting has been re-scheduled for Thursday, March 31 @ 1400. Same location. Let me know if you have any questions. Thanks, Good Day!

Good afternoon Mr. Halden,

Just wanted to keep you informed as to upcoming meetings. Rick Blake, an attorney representing Cosmo Nightclub has requested a "sitdown" with LAPD. They would like to hear from us as to recent enforcement action at the location and would like to discuss solutions for their repeated CUB non-compliance.

The meeting is scheduled for March 30th at 1500, in the Hollywood Community Room. Cosmo's attorney as well as the owner and managers will be in attendance. Our acting OIC, Lt. Ling, Sgt. Munoz, Senior Lead Ofcr Pesquiera and ABC coordinators will be present at the meeting. You are welcomed to attend if you're interested. In case you are not available, I will keep you posted as to matters discussed.

As for Davey Wayne's, Randall and I met with the Captain last Thursday and will be scheduling the meeting shortly. We are looking to schedule it the first or second week of April. Please let know if you have any questions. Good Day sir!

Hello Sir,

I don't think so but I'll check with them tomorrow...I have been monitoring Cosmo street and I believe that making it a one way street would make for a much safer street. Have you given this issue any further consideration? Thank you...

Good morning Commander,

Please see the below listed recap for yesterday's Crime Reduction Task Forces sponsored by Hollywood GED and Vice...

GED Task Force

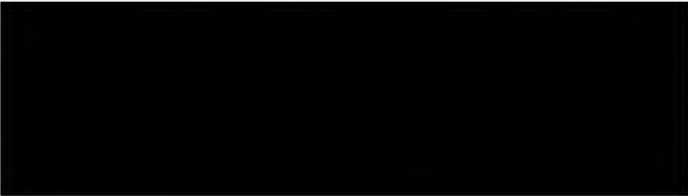

This Task Force included the following personnel/entities: Wilshire and Hollywood GED, Cal Trans, DMH, Metro Mounted, Metro Line Platoon, WTD, DOT, State Parole, and LA County Probation. The Task Force focused enforcement efforts in the area targeted for violent crime/gang activity in the Western corridor and HED area. The Task Force produced the following recap:

(2) Felony arrests, (8) Misd arrests, (4) Parole/Probation Compliance Checks, (13) Citations, and (23) FI Cards.

Vice Task Force

This Task Force included the following personnel/entities: Wilshire Vice, Hollywood Vice and PED Officers, ABC agents, and City Planning inspectors. The Task Force focused enforcement efforts in the HED area. The Task Force produced the following recap:

Below locations were cited and Vice officers will complete complaint applications as well.

5. Rusty Mullet - 12.29 LAMC violation of conditions 10,11,13,27 and 32

No CES permit, no dance hall permit and violation of ABC conditions 2 & 4

6. Cosmo - 12.29 LAMC violation of condition 17 and 21

In summary, Hollywood GED and Vice put together a solid plan for their respective Task Forces and with the support of other OWB GED and Vice squads, the results showed. Given everyone's efforts it should produce positive results and I'm sure Hollywood will see a reduction in violent crime as a result.

Chief/ Commander:

Here are the results from our efforts this past week at Hollywood Division related to violent crime.

As you know, we had our "All Hands on Deck" task force on Thursday and used a variety of entities (internal and external) to make some progress. The productivity is attached.

We will meet with our team tomorrow morning and discuss strategies, missions and enforcement for this week. More to come...

Respectfully,

Cory

Hey Sgt,

I spoke with [REDACTED] today, the consultant/attorney representing Nightlife Group, LLC regarding Cosmo Nightclub.

They have requested a "sit down" with Vice/LAPD to discuss Cosmo. They are interested in hearing from us as to the ongoing issues at the location and would like to discuss how they can resolve the problems and "be better operating citizens". He indicated the owner, [REDACTED] resides in Arizona but his operations manager, [REDACTED] was available to meet.

I advised him it'd be in the owner's best interest to attend the meeting along with his managing staff. [REDACTED] is going to call us Monday with available dates for the owner and staff. He did not specifically request the Captain's presence so I think having LT, you, ABC and Ben present may be sufficient. We'll keep you posted as to the dates he provides. They are clearly attempting to remedy the situation before their revocation hearing April 18th. Call me if you have any questions.

Hey Sgt,

I spoke with [REDACTED] today, the consultant/attorney representing Nightlife Group, LLC regarding Cosmo Nightclub.

They have requested a "sit down" with Vice/LAPD to discuss Cosmo. They are interested in hearing from us as to the ongoing issues at the location and would like to discuss how they can resolve the problems and "be better operating citizens". He indicated the owner, Alberto Aguilar, resides in Arizona but his operations manager, Conrad Straub was available to meet.

I advised him it'd be in the owner's best interest to attend the meeting along with his managing staff. [REDACTED] is going to call us Monday with available dates for the owner and staff. He did not specifically request the Captain's presence so I think having LT, you, ABC and Ben present may be sufficient. We'll keep you posted as to the dates he provides. They are clearly attempting to remedy the situation before their revocation hearing April 18th. Call me if you have any questions.

Hey Marlon

Can you please call me when you get a chance. I re- did all the 3.18 s from September 27 on. I just need to have the Captain back date and sign. The problem is that we have a new captain who wasn't here when the 3.18s are covered. (Cosmo DR #15-330117)
